

Roads, road safety

Problem is not roads but speeding - need more penalties for speeding
Need to slow down traffic on A4110 thro village
Roads badly maintained
Pavements badly maintained
Road to castle needs improvement and repair
Restrict speeding by physical means ie speed bumps
A4110 is dangerous due speeding
Reduce speed on Ludlow road through villages
Local roads are dangerous with potholes
Restrict speed through all our villages
Main road too busy and fast need 30 and 20 mph limits
Calming measures on through traffic

Car parking

Cars parked on Ford Street are "higgly piggly"
Parking for castle visitors
Car park for church visitors

Public transport

Transport is rubbish
Little or no public transport

Tourism

Walks info in shop
Develop visitor attraction
Develop better use of church
Improve signage for walking routes
Market and promote the church and castle

Buildings/facilities

Need a tea shop
Church and castle should be protected by the owners
Residents to maintain path immediately outside their home
More and larger rubbish bins
To do something about the playing fields and equipment for young people
Consider rationalising public buildings to maximise use and introduce for leisure/arts activities
6th form college
School needs 6th form college
Somewhere to hold local events would be a benefit
Actively promote village facilities
Integrate the various areas in Wigmore
We need to retain the Oak pub - what is happening here?
Provision of toilets at church

Lack of use of football pitch

Village Hall

Using village hall/TVYP renders the need for pub as a meeting place unnecessary

Village hall is wasted asset - need proactive discussions re other uses eg library, medical, chemist, tea room

Need a modern village hall

Sell existing village hall and build sheltered housing for older people

ME (TVYP) to become 6th form college and new village hall

Too many under utilised assets ie village hall, TVYP, church, pubs, leisure centre for village this size

Replace old village hall with building suitable for today

Update village hall to enable more plays and musical events to take place

New village hall suitable for attracting local services eg library, doctor, pharmacy etc

Replace village hall - existing hall is not fit for current and future needs.

Update village hall

An updated village hall likely to attract tourists, visitors with modern facilities

Replace existing village hall

More leisure activities and new village hall

Environment

We have scrap merchants, car dealers, and rubbish in gardens making area untidy

Working parties to spruce up village

Village is very untidy - too much litter

Village looks very untidy

Village is scruffy litter strewn place. Bins not emptied and too small

Road sweeper not around enough

Millenium Garden not maintained

Litter bins overflowing and too small

Millenium Garden is looking forlorn - needs working party to clean up

Protection of landscape, wildlife, buildings to be paramount

Footpaths

Hardly anyone in the area uses footpaths/bridleways

Footpath to castle is not pram or wheelchair friendly

Improve access to castle

Access to castle is an overgrown mess

Access to castle is overgrown

Footpaths not cleared of leaves, litter

Access to castle is dangerous

Infrastructure

Re-instate village signage at start/ finish of village boundaries

Centre of Wigmore needs some development - many buildings are "ugly" and out of keeping with the h

Integrate all planning - not piecemeal and box ticking

Better village signage

Improve road signage especially going south adjacent Court House by blind summit

Flood prevention avoided by not building on flood plains

Better broadband and mobile services

A viable balanced community providing working and living environments

There is sufficient growth already
Need to ensure existing services are maintained

Misc

Hereford Council make claiming for car damage difficult
Encourage new businesses to create more local jobs
Nice to have Mortimer News
Little communication within parish
Not a well thought out questionnaire
No mention of agriculture - vital to have effective food production in the county
Parish should support youth project
Can we have a village by-pass

om, info point, etc

eritage of the village
